## Hidaya Foundation's Programs Overview

### Hidaya's Mission Statement:

**To implement educational, environmental, social welfare, and health care programs in economically depressed areas of South Asia, West Africa and North America, with focus on projects which promote self employment.**

### Education

**No Orphan without Education:** For just \$10 per month, all educational needs are met for an orphan child.

**Support Hidaya Schools:** Hidaya opens schools in rural areas which have none, and adopts and operates government schools which have shut down. It costs about \$160 to run a classroom of approximately 40 students each month.

**Support Poor Students:** Partial and full assistance is provided to poor students from primary school to university levels.

**Hidaya Institute of Science & Technology:** Students are offered courses in Basic Computer Skills, Software Development Training, System Administration Training, and Network Administration Training.

**Hidaya Institute of Farming & Agriculture:** Poor youth from villages are trained in hands-on agriculture practices at Hidaya Garden.

**Job Skills Training:** The poor are supported and trained in Sewing, Driving, and more.

**Adult Education:** Adults who never went to school or dropped out during primary education are given an accelerated 6 month course to complete the 8th grade.

### Health Care

**Medical Assistance:** Underprivileged patients are supported for doctor visits, lab tests, surgeries and medicine. Also, hospitals are given medical equipment, medicines and financial support.

**Medical Camps:** In small towns and villages, camps are arranged where doctors are brought to see poor villagers and medicines are provided at no cost.

### Environment

**One Million Trees:** Hidaya grows seedlings in our own nurseries then plants them with the help of students and farming communities to improve the environment while educating poor communities about the benefits of trees. It costs just \$1 to grow and plant each seedling.

**Green Energy:** Alternative energy solutions are implemented and experimented by Hidaya, with the goal of passing on affordable solutions to the masses. Hidaya currently utilizes solar energy at some of its offices and schools.

**Clean Drinking Water:** Clean drinking water is provided to the poor in need of fresh water by installing water hand pumps or by delivering water to the masses via water tankers. A water hand pump costs \$300, and 1,200 gallons of water delivered by tanker costs \$10.

### Self Employment

**Animal Farming:** Poor families are given goats or chickens so they may farm and benefit from milk, eggs, meat, etc. It costs \$220 for a pair of goats or \$50 for a flock of 25 chicks and supplies.

**Farmer Assistance:** Farmers are provided seeds, fertilizer and pesticides to stand on their own feet and break out of the ongoing poverty cycle.

**Small Businesses for the Poor:** Poor individuals are supported under two sub-projects so they may become self-reliant: Sewing Machines to Women (\$75 per sewing machine) & Tools for Various Professions (\$200 for a push-cart and supplies for a street vending business, \$200 - \$500 to set up a retail shop, costs vary for tools based on different professions).

### Social Welfare

**Zakat (Obligatory Charity):** Poor individuals and families who qualify to receive Zakat are given cash, dry ration, clothing, and other basic human needs.

**Disaster Relief:** Families in emergency or catastrophic situations, such as droughts, hurricanes, earthquakes, tsunamis and floods are given assistance.

**One Million Meals:** Feed the world's poor and hungry. Bought in bulk, a meal costs only 50 cents.

**Marriage Support:** Assistance is provided for orphaned and poor young women. It costs approximately \$200 - \$300 for each marriage.

**Widow/Orphan Support:** Aid is given in the form of dry ration food, clothing, and cash to feed and meet all basic needs of widows and orphan children. It costs just \$40 per month to help each widow and her orphan children.

**Container Shipment Project for In-Kind Donations:** In USA, computers, books, toys, medical equipment, household items, clothing, and more are collected and shipped overseas to benefit the poor.

**Sadaqah (Charity):** Charity is given to poor individuals and families in the form of cash, dry ration, clothing, and other basic human needs.

**Sadaqah Sacrifice:** Charity is given to the poor in the form of meat. It costs \$120 for a goat/sheep and \$420 for an ox/buffalo.

**Sadaqat-ul-Fitr:** Dry ration is given to the poor so they can enjoy Eid-ul-Fitr.

**Qurbani/Udhiya:** Arrangements are made for sacrifice of animals and distribution of meat to the poor at the time of Eid-ul-Adha.

**Fidya:** Dry ration is given to the poor as compensation for missed fasts during Ramadan.

**Aqiqah:** Sacrifice at the time of a child's birth is carried out and meat is distributed to the poor.

## Donate Your Qurbani/Udhiya for the Poor in South Asia and Africa

Prophet Mohammed (pbuh) taught Muslims the way of remembering the act of Ibrahim (pbuh). He stayed 10 years in Medina and performed sacrifice at Eid-ul-Adha. (Tirmidhi)

**Goat/Sheep: \$150 per animal**  
**Ox/ Buffalo: \$80 per share, \$560 per animal**

Qurbani/Udhiya is performed by Hidaya on behalf of donors and is distributed among the Masakeen (persons of extreme poverty who possess no wealth whatsoever) and Fuqaraa (those who own property in excess of basic necessities but below the value of Nisab). Qurbani/Udhiya is performed in South Asia and Africa. Prices include rising prices of animals due to qurbani season hike up, transportation and feed for animals, slaughter and preparation of meat, distribution of meat to the poor, and project management costs.

Orders can be placed online, preferably by check otherwise by credit card at **www.hidaya.org**, over the phone by calling **408.244.3282** or **866.244.3292**, or by filling out the back of this panel and mailing it to us with the attached self mailer envelope. The best way to offer Qurbani is to perform it yourself. For those not able to fulfill this obligation, Hidaya assists by performing Qurbani on their behalf. All Qurbani orders will be arranged internationally after our donors offer their Eid Salat in the U.S.
